I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations.

Printed Name: _____ Title: _____

Signature: _____ Date: _____

In accordance with [40 CFR 403.8\(f\)\(2\)](#) of the Code of Federal Regulations, the Virginia Administrative Code 9 VAC 25-31-730, and the Arlington County Code Chapter 26, the County is required to identify, locate, and evaluate industrial and commercial users that may be subject to the Arlington County Pretreatment Program. This evaluation is conducted to help prevent the discharge of wastewater that may:

- Damage components of the wastewater collection system;
- Expose personnel to health or safety hazards;
- Cause pass-through of pollutants at the Wastewater Treatment Plant, or interference with Plant processes; or
- Contaminate biosolids produced from the Plant.

In accordance with the above regulation and Codes, your business is required to complete and submit the above Industrial User Survey. Failure to submit will automatically result in a follow-up facility inspection.
